Camp 32 143rd M^{ch} Regt
Sumner Hill Ga Dec 24 1863

General

I have the honor to tender my resignation as Chaplain of the 32nd M^{ch} Regt for the following reasons.
1st I have a large family, mostly daughters, who have been left without the army's lines, and deprived of the means of subsistence to such an extent as to make my personal attention necessary to their support.

2nd I am fifty two years of age and too infirm to endure the exposure incident to camp life, especially in winter. The exposure of last winter inflicted upon me great suffering, and after long suffering in camp, passed me thirty days from my command! I fear the results of a similar winter exposure.

3rd The 32nd M^{ch} Regt are consolidated and the 43rd has an efficient Chaplain, so that my services with the Regiment are not necessary.

I certify that I am not indebted to the Confederate States government on any account what so ever: that I have no government property in my possession: that I have never been absent without leave or guilty of any charges which could in any way affect my pay.

This is to certify that in the Spring of '63, we have sent
George in Leabrook Hospital, I was called to see
Lieut. P. duty, during two attacks of illness. Since he
suffered from severe inflammation of the lungs, he
was in hospital for 10 weeks. I again attended him
during a protracted attack of general debility. He
remained in hospital for 10 weeks. I again attended him
during the attack. His lungs were somewhat im-
proved. I think his constitution very fine
for a soldier. He could not remain in the hospital.

to know for what Lieutenant you will
assign George. After repeated trials
it is certain his health will not bear
the exposure of field service, and yet I
hope you will find him useful in detail
service in the Park Camp.
I am, Sir, greatly obliged to you for the
kindness you have already shown to him,
and am very anxious he should remain
under your command, and shall be
much obliged to you for the additional
favor of recommending for a Lieutenant
to remain on detail duty with you at
Camp Lee, now that he has acquired some
knowledge & experience of the duties he will
be required to perform.

Secretary War Dept.

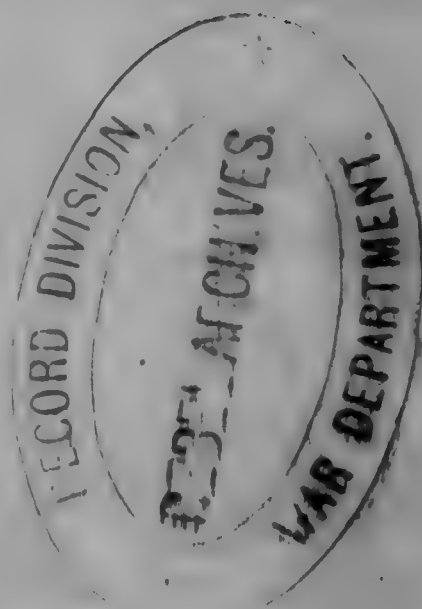

Mr. Sedgwick

My commission is sent to the 1st Regt. 1st Cavalry
and returned to the 1st Regt. 1st Cavalry
before entering upon the duties of
the Office. I am required to give
bond and security to the amount of
\$1000, which I am not able to do.
As my family consists of 12 persons within
the earnings of 200, and I know of no
one that I could ask such a favor
of, but persons who are entire strangers
to me.

I would give the security required
if I could give to perform the duties
of the Office. I am not able to perform the duties
of Military Secretary, as I am not
sufficiently acquainted with the duties of
the Office. I find it as much as
I can do to discharge the duties
imposed upon me at this

— I am sure, I shall be able to
find what I need, from the fact that
and various other things have been
mentioned would be entirely helpful,
for the above reasons, I am anxious
to be able accepting the commission,
though I feel I shall be for some
months in a few days.

Very respectfully
Yours ably Servant

Lt. S. H. H. has been a long while between him

He has not through the High at the time

Kear does not like to take the responsibility of ordering such a movement without hearing from you. Hence the two former letters of this date to Capt. Horne on this subject with same tenor, which remain unanswered. In the event of your giving a command in accordance with these views, both of the Steamer, and supplied with fuel, should be sent down tonight.

At present Col. Tompkins guards Coal Mountain pass with Capt. Cornsby's Heavy Gun with Lewis Cavalry. The rest of this Command is prepared to move on your further orders.

Sir,

For private in this camp sent by argument of Col. Norton to the Enemy's Camp at Poca, on matters strictly personal to himself, as well as the servant returning with the friend of Col. Norton, sent in reporting that the enemy have sent one of their steam down the river for re-inforcements on yesterday and that it was the common subject of remark in their camp that on its return (while was to the today) they intended to march on us.

This place is utterly indefensible; these reports as are as the high & active state of preparation of the enemy point to an attack on it today or tomorrow. No 11 A6B 49r

The claim of Storms & Delany for the value of supplies consumed by the Army.

After due public notice the following witnesses being sworn were examined in my presence and their testimony reduced to writing by me.

Charles C. Bailey Examined in behalf of the Claimant deposes as follows. The Claimant's farm is at Union Station on the Rappahannock twelve miles above Fredericksburg and contains about six hundred and forty acres. I think some one hundred and fifty acres of it was in timber when our troops went upon it. From the first of February to about the 1st of April all of General Poreys and part of Genl. Mahones' Brigade, and the Donaldsonville Artillery were in camp on this land. I am a neighbor of the Claimant, my house being only about two miles from his, and I was around about his place every day or two and witnessed the use of his wood & fencing as fuel by our troops. I, with Mr. Robert W. Ferryhaugh and myself have gone over this land and made estimate of the supplies taken therefrom and consumed by our troops. By our estimate fifty acres were cut over and twelve hundred and fifty cords cut off and ~~burned~~ and three hundred and fifty panels of worm fence & all used ~~up~~. Most of the other fencing on the place was burnt by the Yankees and the residence was burnt though accidentally. I think at this point one dollar & fifty cents for one cord of wood standing would be a plenty. C. C. Bailey.

Robert W. Ferryhaugh Examined in behalf of the Claimant deposes as follows. I helped to make the estimate of supplies consumed by our troops on the Claimant's land and think that at least twelve hundred and fifty cords of wood and three hundred and fifty panels of fence was used as fuel. I think \$150 per cord little enough. I should put it at \$200 per cord. R. W. Ferryhaugh.
Geo. R. Strick Examined in behalf of the Claimant deposes

I live about four miles off claimants land I know of the
trucks of Ben's machine & Perry & the Battery for Donaldson
being on this land some two months and I helped to estimate
the quantity of supplies consumed thereon by them - of the
wood there was twelve hundred & fifty cords and of the
fencing Three Hundred & fifty panels - My estimate
of the price of the wood is Two dollars and a half per cord

The foregoing depositions were taken sworn to and sub-
scribed before me this 5 day of February 1864

James McQuinn J.P.

Whereupon I report that the foregoing claim appears
by the proof to be just and reasonable to the following
extent -

1863 For Twelve hundred and fifty cords of wood,

at \$12 per cord \$1800.00

For Three hundred and fifty panels of fencing at \$2.50

\$875.00

and should be paid

And I therefore report that in account of
the same there is due to the said Norman D. Lybough
the sum of Seventy six hundred and seventy five
dollars

The first part of the paper is devoted to a discussion of the
 various methods of determining the rate of reaction. The most
 common method is the use of a clock reaction, in which the
 reaction is allowed to proceed for a certain period of time,
 and then the reaction is stopped by the addition of a reagent
 which causes a color change. The rate of reaction is then
 determined by measuring the time taken for the color change to
 occur. Another method is the use of a titration, in which the
 reaction is allowed to proceed for a certain period of time,
 and then the reaction is stopped by the addition of a reagent
 which causes a color change. The rate of reaction is then
 determined by measuring the volume of reagent required to cause
 the color change. A third method is the use of a spectrophotometer,
 in which the reaction is allowed to proceed for a certain period
 of time, and then the reaction is stopped by the addition of a
 reagent which causes a color change. The rate of reaction is
 then determined by measuring the absorbance of the solution at
 a certain wavelength.

April 1864

Dear Sir,

It would afford
me more pleasure than to secure the oppor-
tunity of expressing my sentiments with reference
to your qualifications for the Heavy Artillery
Service -

Since you have been attached to this
Department I have ever found you, active,
energetic and zealous in the discharge of your
duties, and moreover I have noticed that you
have taken a pride in our profession, and
have endeavored to conduct yourself in such
a manner as to be an ornament to the Corps to
which you belong. You have been enga-
ged in recruiting, on construction, as well
as in every other branch of the profession -
In all of these you have acquitted yourself
with great satisfaction to myself, and I
believe to the satisfaction of all the officers
with whom you have been connected -

Engineering and Heavy Artillery are
intimately associated - A good officer
of the former must be thoroughly acquaint-
ed with all the duties that pertain to

the latter - Therefore as I regard you as
an officer of ability and skill in
your profession, I must also regard you
as admirably qualified to take a posi-
tion in the service you desire -

Your devotion to your duties as well
as your attainments have merited promotion,
long ago - and I was very sorry to learn
that your services were not considered of
sufficient importance to entitle you to an
increase of rank - I am sorry that
you feel it your duty to leave our Corps -

I take great pleasure in stating that
our official and social relations have
been of the most pleasant character -

Again allow me to express my regret
that you have deemed it advisable to
enter another branch of the service -

Dear Col.

Captain R. H. Fitzhugh's horse has completely broken down, and he informs me that he has not the means to purchase another.

Can not a horse be purchased for him with the funds belonging to the Engineer Department?

As you are aware, an officer in the rank of the service is of very little use without he is mounted.

Therefore I ask of you to suggest some method by which Captain Fitzhugh can be provided for.

Captain Fitzhugh is an active, energetic officer; zealous in his professional duties, and really is indispensable to me, for he has given me most valuable assistance in all the duties I have had to perform, and these duties are increasing every day, so much so, that rather than lose officers, my Corps should be increased.

Anything you can do for Captain Fitzhugh, will confer a favor on.

some idea of his standing here professionally and
otherwise (so far my opinions are an exponent of the
Army sentiment in regard to him) and as an act of
justice to him I give him this testimonial

and much more capacity than usual in the discharge

William Mahone
Chief Engineer

Mr Robert H. Fitzhugh of Caroline County Virginia, has been intimately known to me since the year 1848. He was, for the first two years of this period, a student of mathematics in an academic class under my charge, and is, I well know, cultivated in the important bases of his profession, having completed his education generally, and in this special branch at the University of Virginia. For four years nearly, Mr Fitzhugh has been with me in the profession of Civil Engineering, which he began with me a pupil, in the native sense of the word. From the chain, to the grade of a Resident Engineer, he has occupied every intermediate position, as well upon surveys and location, as upon construction.

He has never been advanced from one place to another, where his actual experience and capacity did not fully justify and demand his promotion. In a word, the utmost care has been taken to make his professional education perfect, and I know of no young man who is so thoroughly qualified in general and in detail as Mr Fitzhugh. For the past year and a half he has had charge of a Residency embracing within its limits a large variety of Engineering work, and of Construction. The bridge masonry foundations, the masonry, and the bridge superstructure of the bridges, with which he has been connected from

I take pleasure in bearing testimony to the high character and qualifications of H. M. Mr. Fitzhugh is a fine scholar and has improved his opportunities to the full extent, possessing that ambition, which when combined with virtue and honor is sure to succeed in life. As an engineer, few of his age surpass him in energy and knowledge, and he enjoys the full confidence of every one with whom he has been associated on our work. I can, therefore, from personal knowledge recommend him most confidently to the Department, well assured that valuable services will be secured by his appointment to any situation he may select.

Hon. G. A. Bland
Secretary of War
Sir

Brigadier General Pike of the Indian
Brigade, having some two or three weeks since, requested
my appointment as Captain of Engineers, to serve
under him in the Indian Country, and feeling
satisfied that the appointment would be made, has
ordered me to report at his headquarters Indian
Territory on the 25 of this month, and in consequence
has authorized me, by writing in due case, and
in other cases verbal, to appoint such assistants
as would be necessary in my department, and
to give them such compensation as I thought just,
within certain limits. He has authorized me to
procure transportation for all such assistants
as I may appoint. The time for our departure is
now at hand, in order to fulfil our orders as
stated; but having as yet received no commission
or letter of appointment, I have no authority to act
in the matter, and therefore will be unable to report
with my pack (which is now waiting) at the time
specified, unless such action is taken by your
department as will enable me to leave here on
Monday morning next. In accordance with
General Pike's order, I have appointed three assistants,
one of whom proceeds to collection of the Tidewater

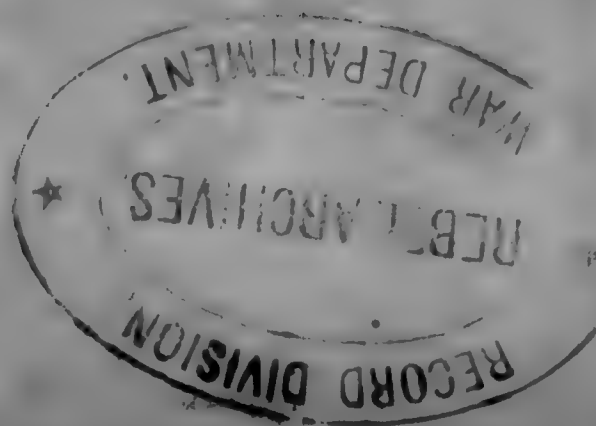

Drilling), has received a discharge from his company, in
order to accept the appointment in our command.
General Pike the other two are for civil life, Messrs
Hutton and Soubiran who are now employed in
some of the departments in this city. The General
thought that as this would have secured me better
of appointment, and consequently would have had
no difficulty in obtaining the necessary transportation
but as it is difficult to find, and by request of
the Assistant Secretary of War - Mr. Old, I make this
communication to you, and earnestly hope that
the transportation attached to my prompt
arrival at Headquarters, by General Pike, you
may find it convenient to solve the matter
gloriously, at a very early hour. I enclose you orders
from General Pike, as well as a letter relating to Mr
Soubiran's appointment.

Hon. J. Buchanan
Secretary of War

With great respect
I have the honor to be
your Obedt. Servt

My Dear Brother.

My Dear Brother,
Allow me to trouble
you again - Please inform H. Fitzpatrick
(Cousin to me from the Gov) appointed Quarter
Master at forward head board of apt - If
you do not get the bond it will
be 2 or 3 weeks & perhaps months before it goes
from the Act. Genl. Office -
I am in Forward Conf. - Rust Division.

A month ago my apt Surgeon Dr J. K. Ford
 tendered his resignation & nothing has since
 been heard from him. It may be that the
 record at Richmond shows that Anderson
 is Dr. apt Surgeon of the Regt. ... I
 wish you to explain to Mr. Ladden that Dr.
 Anderson was originally appointed apt Surgeon
 - about the 12th April 1862 - he remained
 with the Regiment till 29th May - On the
 morning of the 29th a battle being expected
 on the following day Dr. Anderson left
 the Regiment, went home without leave
 & was gone till the 17th June. In the mean
 while under an order from General
 Beauregard he was dropped from
 the roll for unauthorized absence for
 seven days - & Dr. J. K. Ford was appointed
 Dr. Anderson has never been reinstated

Mr. James A. Hays, Esq., Wash.

Dear Sir,

Dear Sir,

I enclose some time last November, at Commission as Chaplain in the Confederate Army, having, as I remember, 1864, and ordering me to report for duty to Col. W. H. Miller's Commanding Co. of the 1st Regt. of Col. I do, and have since that time discharged the duties of that office to the best of my ability. I now wish to resign that Commission into your hands for the following reasons: First, Mr. Hays has no been ordered by the Government of this Union to see that I have been fairly paid. Thus the Government of my family is left as to demand my attention.

Second, I am being treated as all other persons are. Third, there is a much larger question of justice, when I have been ordered to go to a certain place, and I am not allowed to go.

Yours truly,
Wm. H. Miller

Dec. 28: 1873

Head Quarters, 1st Division N.Y.

Saturday 29. 1863.

General.

I beg leave respectfully to recommend to your favor the consideration the actions of Lieutenant D. J. Dyckworth of the 22d. Infy. Regiment, in connection

On the 3th of August 1862, at the battle of Chalon Rouge. In the second a gun shot went through the body, penetrating his lungs, while leading his Regiment - which has disabled him from field service - It was at the time Captain of the Regiment. On the 23rd inst, he made an excellent action in connection to the Adjutant & Inspector General's Department - which exhibition was observed and recommended by the Colonel of his Regiment, Brig. Genl. Adams, & Lieut Genl. Johnston, but as you has heard nothing more about it.

Since General Johnston too, as the Army in Mass. Lieut Dyckworth has come prominently before the Department as Forest Marshall at Jackson, by his connection, & afterwards, as Provost Marshall at Meridian, where he was at

present being. In this country, you have secured
immense inducements to me, in the Thrope Genl's
Department and I do not hesitate to say that
he has exposed more pains, & than the
Government as much service as any other that
has come under my notice.

He deserves promotion, for when intelligence,
talent, & capacity are in unison. I have written
this letter without his requesting it, because,
in my judgment, he is entitled to it, and
deserves the consideration due solely to merit.

I leave the matter to the Genl.

With much respect,

Your obedient servant,

having applied to me for a certificate on
which to ground an application to be trans-
ferred to other than field duty. I hereby cer-
tify that I have carefully examined this
officer & find that he is suffering from the
effects of a gunshot wound received in
the battle of Baton Rouge La. Aug 5th 1862.
The ball entered the left breast about three
inches below the nipple, & ranging upwards
backward, came out near the scapula,
having passed through the lungs inflicting a
very serious wound. From the effects of
which he is, in my opinion, rendered
unable to perform active duty in the field
for an indefinite period of time. He cannot
take violent or active exercise, because he
suffers from the lungs is induced thereby. As
he is, in my opinion, very probably afflicted
permanently for active field duty. I re-
commend that he be transferred to such
duty as will exempt him from con-
stant & active physical exertion

Lieutenant John J. Fitzpatrick Captain of the 22d Regt of Mississippi Infantry, was recommended by me for that position, when Sergeant Major of said regiment, on account of his good and soldier like conduct and his proficiency therefor; and appointed a First Lieutenant and Adjutant, on the 17. February 1862.

By his services, while under my command it afforded me, pleasure to speak with high commendation. 'Specially' commended during the battle of Dalton. Roanoke, Va. he is now anxious to discharge properly the laborious duties of his position in the field without serious risk to his already weakened constitution. I have, therefore, given to him my approval to seek a transfer to some other duty, which his condition would enable him to perform, and I have no hesitation in recommending him to the Department as one whose application not only deserves favorably consideration but whose past services would well merit promotion.

From the honor and responsibility of the
appointment of Sergeant Major John J. Fitzpatrick,

Sergeant Major Fitzpatrick was appointed
Adjutant of the regiment when the communication
of the late Colonel M. C. Kenham, when the latter detached
him as Adjutant per duty as A. A. S. G. of the Brigade which he

Sergeant Major Fitzpatrick was credited for duty

since he has discharged his duties to the entire satisfaction
of his commanding officer his appointment would not only
warrant the efficiency of this regiment, but would likewise
be viewed as an encouragement to arriving and worthy

General:

In the first of February 1861, from General Sain,
he recommended to the Government of this an objection since an
urgent affair, when J. Mitzpatrick appeared at the hospital of the
regiment. The 22nd, Major (Regiment of Infantry) from Mississippi
said application was refused, and recommended to the
Hon. Genl. Bogan, with this endorsement: "Sergeant"

J. Mitzpatrick is eminently qualified for the position;
and then was forwarded to the late lamented General C. F. Smith
and then reason to believe that he also recommended the appoint-
ment.

A severe wound occurred at that time it necessary for
me to leave the regiment and Major Mitzpatrick was detached to
accompany me to this city, where I shall await my recovery.
In justice to Major Mitzpatrick, I am concluded to afford to you
the favorable opportunity of meeting him personally.
With the request that his Commission be issued.

Major Mitzpatrick was appointed acting chief in the 2nd day
of March 1861, and has since, without a single day's quiescence,
performed his duties to the entire satisfaction of his superior
officers. I therefore most respectfully ask, for his re-employment
in his Commission, and that it date from the 2nd

Yours of the 23rd
February has just been received at my office
as regards the papers you call for I would most
Respectfully state that when I was detailed to
act as A&S for Cobb's Legion I was the custom
of the Regt A&S to draw Subsistence stores from
the 13th Brigade & S on Provisions Return Form 14
and I were told that I had no Report to make
only sales to officers the Subsistence stores were
invoiced and no Receipt given only on back of
Provisions Return I was also just at the time
that we started on the Maryland Campaign and
I had no paper on Books to keep account to keep
an account of issues Capt Sampson A&S having
everything with him on sick leave and as I suppose
that I had no Report to make I did not deem
it necessary to do so nothing being invoiced to
me I cannot see how I am to make up Provisions
Return without Invoice I can however give
you a Certificate from my Regiment and Regt
John B Cobb Brigade & S that the Provisions were
correctly drawn and properly issued to make
up the Return you call for May Cobb will be
compelled to Invoice them

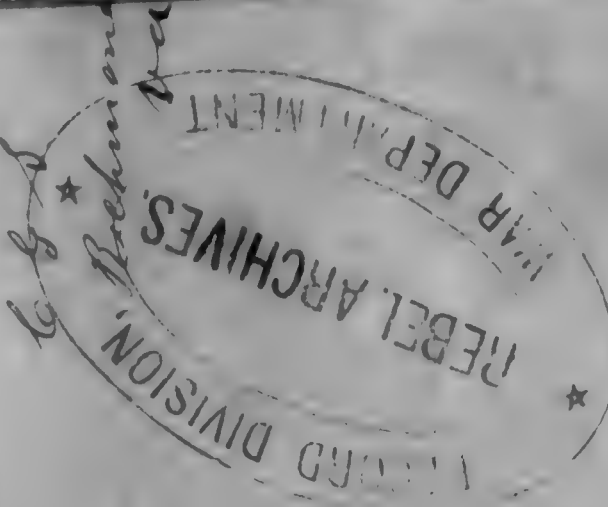

as regards the (60⁴³) Serial
24800 Dollars has carried forward I would
most Respectfully state that while acting as A&S

also Return of Commissary Property for

The error in computing Hospital
Rations for Mariamner Hospital for
Nov 1863 of 102 ²⁰ and for Spalchicola
Hospital for Dec 1863 of 20 being all
against Hospital fund and by correcting
the return and carrying forward the
proper ^{amount} would only increase Hospital
fund and as the present amount
only are charged against the Gov - I
suppose it will be no difference as it
would only increase Hospital fund
the present fund being quite sufficient
for Hospital purposes if however you
desire I will make new statement for
Hospital and send forward

Syrup in Lieu of Bacon
was issued according to instructions
from May 9 1864 at 1/8 Gal of Syrup in Lieu
of the Ration of Bacon enclosed I send
you copy of his order

When I took charge of the Fort at Chaltacoche
the 1st of Oct 1863 they were issuing sugar
to the troops at the rate of 3 lbs sugar
to the 100 Rations for the whole month
I therefore consolidated the Rations and
made up my abstract for Rations for
one fourth of the month at 12 lbs to
the 100 Rations supposing 12 lb to be the
Ration this would make the amount
of sugar issued the same

The error in statement of
Amt \$15.00 being against me with your
permission I will charge it to
myself and carry forward in my account
current hoping the inclosed statement
will be satisfactory

I have the Honor most Respectfully
to be your Obedt Servt

own knowledge that he is as thoroughly posted in the
business of the Quartermaster's Department as any one
I know. From his position as chief clerk in the office of
Col. D. Smith a. g. m. g. he has acquired a thorough knowledge
of the whole subject, and there is no one whose obligations
to acquirements better fit him for the position of Asst. Quar-
termaster or who can, in that account, render more ef-
ficient service to the Government in that capacity, than

Mr. Fitzwilson.
